

COMMERCIAL INSURANCE PROGRAM FOR RETAILERS* ***DESIGNED EXCLUSIVELY FOR THE PROPANE INDUSTRY***

Rogers Insurance Ltd., a Calgary-based brokerage, offers a comprehensive Commercial Insurance Program designed exclusively for propane retailers across the country** . The program includes comprehensive coverage for Liability, Property, Automobile and Business Interruption needs.

The commercial program is suitable primarily for operations with a strong focus on propane sales and delivery. It can provide significant savings for small to mid-sized retailers, and additional savings for those who are members of the Canadian Propane Association (CPA). Members are eligible for preferred rates due to the enhanced risk profile attributed to membership.

MEMBER BENEFIT: PREFERRED RATES FOR CPA MEMBERS * * !

Rogers Insurance Ltd. is one of Alberta's largest and most respected independent insurance brokerages. They have extensive knowledge of the propane industry. Founded in 1977, Rogers Insurance believes that the best people equal the best service. They are proud to have been named a Top 20 Employer (2006) in Alberta.

* While this program is primarily for retailers, Rogers Insurance does have a broad range of coverage available for non-retailers, including competitive rates for auto conversion companies. Call to inquire.

** Preferred rates available for eligible members in good standing, in all provinces and territories except Quebec. In Quebec, a similar program is available through a Quebec-licensed brokerage. For more information, contact the Quebec Propane Association at 450.654.3737 or association@propanequebec.com .
