

Company Description:

Go Gas Ltd. is the leading propane gas design and installation company in the Cayman Islands. A family owned business, with attention to safety, quality/detailed workmanship and customer service; Go Gas Ltd. is quickly growing and expanding in the industry and requires a certified Gas Line Installer/Service Technician to join the Go Gas team. www.gogas.pro

Job Description:

Under direction of the Operations Manager, the Gas Line Installer/Service Technician is responsible for the installation of gas lines, connections of propane tanks and appliances for residential, commercial and industrial projects. Responsible for servicing water heaters, completing work orders and inventory. Will work alongside and supervise a gas line installer helper.

Minimum Qualifications Required:

- NPGA - CETP Certification or equivalent gas installation certificate
- Rinnai and/or Noritz tank-less water heater training
- Valid full Drivers Licence
- 2-5 years' experience as a gas line installer
- Ability to read, write and speak English fluently
- Physically fit with the ability to lift 40 – 50 lbs and work in tight spaces

Salary:

- USD\$3,750 – USD\$5,000 depending on experience and qualifications
- Standard Health Insurance as required by law
- 5% Pension after first 9 months of employment as required by law
- Health and wellness contributions
- Full company uniform
