

CPA AWARDS PRIX ACP

CPA Lifetime Industry Achievement Award

The CPA Lifetime Industry Achievement Award recognizes individuals who have made significant or consistent outstanding contributions to the advancement of the Canadian propane industry.

Recipients are visionaries who have left an indelible mark on the industry through their innovations and commitment to customers and employees. As the name of the award indicates, this honour recognizes a long-term commitment to the industry, to the organization (s) he/she has led, and to the community at large. The recipient is recognized and perceived as a role model, as an icon in the industry, and one who has dedicated his/her business life to the propane industry.

This award is for lifetime industry achievement rather than for a single contribution.

This award is chosen by the Governance and Board Development Committee, who will review each nomination along with sufficient documentation and evidence from the nominator. The award will be presented at the Gala at the 2020 Leadership Summit in Edmonton, Alberta. CPA does not cover the costs associated with winners accepting the award. Winners will receive complimentary registration for the conference, and will be invited to the award ceremony with family members.

Eligible Candidates

Eligible Candidate must (be):

- Employed or previously employed by a CPA member company or have served on the Board of Directors.
- Must not be a previous recipient of this award.

Nomination Process

Nomination packages will be accepted no later than February 28th and submitted to the Association.

Email : tammyhirsch@propane.ca

Once all nominations are received by the CPA, they will be given to the Governance and Board Development Committee for review, discussion and ratification.

The successful recipients will be notified and additional information will be gathered for the announcement. The award recipient will be featured in CPA's communications, which can include Energized, newsletters and the website.
