

Message from CPA's President & CEO

The CPA members and team extend our sincere sympathies to the families, friends and colleagues of those who have lost their lives in the senseless tragedy that took place in Nova Scotia.

The act of violence that has occurred has shocked and devastated Atlantic Canada and fellow citizens across the country.

Like everyone, industry members and trainers in Nova Scotia are dealing with immense loss and grief. Our thoughts are with you as you continue to provide essential services to your communities.

In this challenging time where we are isolated from our family and friends, we encourage all of you to find some way to reach out and support one another. We are a strong, united community and we will get through this together.

Sincerely,

Nathalie St-Pierre
President & CEO
