

Career Opportunity

During these challenging times, Federated Co-operatives Limited is working to serve our local co-ops, customers, and communities. We are committed to supporting our local co-ops and the communities they serve. Working together to provide essential services to communities across Western Canada, we are hiring a Propane Service Tech III on a permanent basis at our Propane Branch in Armstrong, BC.

Who we are:

As a co-operative, we do business differently. We believe in working together to serve Western Canadians, delivering profits back to our communities and investing in sustainable growth. Our work is guided by our values of integrity, excellence and responsibility and driven by our vision of building sustainable communities together. To learn more about who we are, visit www.fcl.crs.

What you'll do:

You will be responsible for completing the installation of propane tank systems and related equipment at customer locations. You will carry out scheduled inspections and complete required maintenance on existing customer propane installations to ensure systems are safe and conform to all regulations and codes.

- You will complete the installation of propane tank systems and you will observe and assess potential hazards involving customer tank installations and report concerns to the supervisor. You will conduct required daily inspection on any commercial licensed vehicle and ensure any minor defects found are repaired in a timely manner and any major defects are repaired prior to vehicle being put into service. You will operate crane truck while following applicable standards during rigging, loading, securing, and transporting of tanks and other equipment.
- You will actively participate in the Propane Departments Safety Program keeping the safety of oneself, other employees, and the public at the highest priority. You will consistently adhere to all standard work procedures, policies, rules, industry codes, regulations, and guidelines. You will apprentice co-workers in Service Technician I and II positions when required.
- You will become familiar with the operation of the Propane Sales Management System and carry out administrative responsibilities as required, promote the sale and the use of Co-op Propane, and deliver propane as required, and perform other duties as assigned.
- You must be prepared to respond to emergency call outs on evenings and weekends on short notice and must participate in an On Call program implemented by the supervisor to adequately service customer needs as required.

Why it matters:

We fuel Western Canadian communities by offering innovative energy products and providing unmatched service to Co-op member-owners and customers.

Who you are:

You are looking for a career in Production, Trades and Maintenance and:

- You have a high school education (or equivalent). Journeyman Gasfitters license is required to perform service work and installations on propane equipment over 400,000 BTU's.
- Must hold a valid Class 3 (with air endorsement) license and have a safe driving record. Preference will be given to those who hold a valid Picker Operators Ticket.
- You must be prepared to respond to emergency call outs on evenings and weekends on short notice and must participate in an On Call program implemented by the supervisor to adequately service customer needs as required.
- Preference will be given to individuals with experience related to residential or commercial propane installations.
- You're honest and trustworthy, are results oriented and strive to be the best in what you do.
- You believe in collaboration, building relationships and value the perspectives of others.

Our Team Members receive competitive salaries, short-term incentives, a comprehensive benefits package and an employer-contributed pension plan. We encourage our Team Members to take advantage of learning opportunities, to grow and develop, and to foster a culture of teamwork and innovation.

FCL embraces diversity and inclusion and we're working to create a workplace that is as diverse as the communities we serve. We support and provide an environment that allows every person to bring their whole self to work.

We take the health and well-being of our team members and customers very seriously. We continue to take steps across all areas of our business and locations to keep our team members and customers safe and healthy.

If this opportunity speaks to you, we invite you to apply by October 28, 2021.

We thank all candidates for their interest, however only those selected to continue in the recruitment process will be contacted. If you require support to apply for this opportunity please contact us at fclhr@fcl.crs.

Please note you may be required to undergo a background check and substance test in accordance with FCL policies. FCLLP
