

Career Opportunity

Federated Co-operatives Limited (FCL) is hiring a Gasfitter A: Service Technician on a permanent basis at our Propane Branch in Carman, Manitoba.

Who we are:

As a co-operative, we do business differently. We believe in working together to serve Western Canadians, delivering profits back to our communities and investing in sustainable growth. Our work is guided by our values of integrity, excellence and responsibility and driven by our vision of building sustainable communities together. To learn more about who we are, visit www.fcl.crs.

What you'll do:

- Complete the installation of propane tank systems and related equipment at customer locations. Observe and assess potential hazards involving customer tank installations and report concerns to the supervisor.
- Carry out scheduled inspections and complete required maintenance on existing customer propane installations to ensure systems are safe and conform to all regulations and codes.
- Actively participate in the Propane Departments Safety Program keeping the safety of oneself, other employees and the public at the highest priority.
- Prior to use, conduct required daily inspection on any commercial licensed vehicle and ensure any minor defects found are repaired in a timely manner and any major defects are repaired prior to vehicle being put into service.
- Ensure all necessary preventative maintenance is carried out on the service vehicle and crane unit, plus maintain all tools and equipment in safe working order and to report any problem areas to the supervisor.
- Apprentice co-workers in Service Technician I and II positions when required.
- Operate crane trucks while following applicable standards during rigging, loading, securing and transporting of tanks and other equipment.
- Become familiar with the operation of the Propane Sales Management System and carry out administrative responsibilities as required.
- Consistently adhere to all standard work procedures, policies, rules, industry codes, regulations and guidelines.
- Provide customer service to all retail personnel, customers, and co-workers in a helpful and respectful manner, and refer any concerns to the supervisor for action.
- Promote the sale and the use of Co-op Propane. To deliver propane as required.
- Perform other duties as assigned.

Why it matters:

We fuel Western Canadian communities by offering innovative energy products and providing unmatched service to Co-op member-owners and customers.

Who you are:

You are looking for a career in Production, Trades and Maintenance and:

- You have a high school education (or equivalent).
- You have experience in residential or commercial propane installations.
- Some other requirements include:

- Journeyman Gasfitters Class A license required to perform service work and installations on propane equipment over 400,000 BTU's. (Gasfitter "A" Apprentices may be considered)
- Valid Class 3 (with air endorsement) license considered an asset.
- Must be in good health and be physically fit to perform all duties and responsibilities.
- May be subject to pre-access Alcohol, Drug and Fitness testing for client groups.
- Must be prepared to respond to emergency call outs on evenings and weekends on short notice.
- Must participate in an On Call program implemented by supervisor to adequately service customer needs as required.
- You're honest and trustworthy, are results oriented and strive to be the best in what you do.
- You believe in collaboration, building relationships and value the perspectives of others.

Our Team Members receive competitive salaries, short-term incentives, a comprehensive benefits package and an employer-contributed pension plan. We encourage our Team Members to take advantage of learning opportunities, to grow and develop, and to foster a culture of teamwork and innovation.

FCL embraces diversity and inclusion and we're working to create a workplace that is as diverse as the communities we serve. We support and provide an environment that allows every person to bring their whole self to work.

We take the health and well-being of our team members and customers very seriously. We continue to take steps across all areas of our business and locations to keep our team members and customers safe and healthy.

If this opportunity speaks to you, we invite you to apply by June 28th, 2022.

We thank all candidates for their interest, however only those selected to continue in the recruitment process will be contacted. If you require support to apply for this opportunity please contact us at fclhr@fcl.crs.

Please note you may be required to undergo a background check and substance test in accordance with FCL policies.
