

CPA AWARDS PRIX ACP

CPA Health and Safety Award

The CPA Safety Award is a biennial award that recognizes initiatives by companies or individuals in the propane industry who demonstrate a successfully implemented new program or an improvement in an existing program to promote, support and enhance a healthy and safe workplace environment.

This award is chosen by the Awards Nomination and Evaluation Committee, who will review each nomination along with sufficient documentation and evidence from the nominator.

Eligible Candidates

Eligible Organization must (be):

- Employed or previously employed by a CPA member company.
- Have not been a recipient of the CPA Safety Award in the past.

Nomination Process

Nomination packages will be accepted no later than March 8th and submitted to the Association.
Email : info@propane.ca

Once all nominations are received by the CPA, they will be given to the Awards Nomination and Evaluation Committee for review, discussion and ratification.

The successful recipients will be notified and additional information will be gathered for the announcement. The award recipient will be featured in CPA's communications.
