Template Number: N/A

Certificate Holder: Canadian Propane Association
410 Laurier Avenue West
Ottawa ON K1R 1B7

Mode of Transport: Road

Effective Date: Septembre 13, 2024

Expiry Date: Septembre 30, 2029

LEGEND

For this equivalency certificate, documents referred to by an abbreviation have the following meaning:

TDG Act: *Transportation of Dangerous Goods Act, 1992*

TDG Regulations: *Transportation of Dangerous Goods Regulations*

CSA B622: *CSA Standard B622, "Selection and use of highway tanks, TC portable tanks, and ton containers for the transportation of dangerous goods, Class 2", published by the Canadian Standards Association (CSA), as amended from time to time*

Equivalency Certificate SH 14614
(Approval issued by the competent authority of Canada)

NOTES

Note 1: Subsection 31(4) of the *TDG Act* stipulates that any non-compliance with the conditions of this equivalency certificate will result in the provisions of the *TDG Act* and *TDG Regulations* to apply as though this equivalency certificate did not exist.

Note 2: This equivalency certificate provides no regulatory relief other than specifically stated herein. Therefore, all other requirements of the *TDG Act* and the *TDG Regulations* apply.

Note 3: No person shall use or apply this equivalency certificate, including the display of its number, when the equivalency certificate has expired or is otherwise no longer in effect. Any alteration of this equivalency certificate renders it invalid. Visit the Transport Canada website for the latest version of this equivalency certificate.

PURPOSE

(The following is for information purposes only and is not part of the certificate.)

This equivalency certificate authorizes the members of the **Canadian Propane Association** to transport Propane in a manner that does not comply with the requirements specified in clauses 5.4(a) and 5.7(a) of *CSA B622*.

For functionality and safety reasons, the members of the **Canadian Propane Association** are not required to close specific valves such as a manual valve in the discharge line of a TC 331 highway vehicle or an isolation valve for pressure gauges or liquid level.

These requirements will be included in the new edition of the *CSA B622*.

CONDITIONS

This equivalency certificate authorizes the **members of the Canadian Propane Association (CPA)** to handle, offer for transport or transport and authorizes **any person** to handle or transport on behalf of the **members of the Canadian Propane Association (CPA)**, by road vehicle, dangerous goods that are:

UN Number	Shipping Name and Description	Class	Packing Group
UN1075	LIQUEFIED PETROLEUM GASES; or PETROLEUM GASES, LIQUEFIED	2.1	N/A
UN1978	PROPANE	2.1	N/A

in a manner that does not comply with:

- subparagraph 5.10(1)(a)(iv) of the *TDG Regulations*, but only as it relates to clause 5.4(a) and clause 5.7(a) of *CSA B622*,

if the following conditions are met:

1) General

- a) The **Canadian Propane Association** ensures that a paper or electronic copy of this equivalency certificate is provided to all members of the **Canadian Propane Association**;
- b) The consignor of the dangerous goods is a member of the **Canadian Propane Association**;

Note: A current list of members is available on the **Canadian Propane Association** website at [Member Map - Canadian Propane Association](#)

2) Means of Containment

- a) Despite clause 5.4(a) and clause 5.7(a) of *CSA B622*:
 - (i) A manual valve in the discharge line of a TC 331 highway vehicle is not required to be closed if the operator must go beneath the vehicle to access the valve, unless it is the last manual valve in the line, or
 - (ii) The isolation valve for pressure gauges or liquid level is not required to be closed.

3) Marking

- a) The highway vehicle is marked with the following information in a manner that is easy to identify, legible, and in characters that are at least 32 mm high:

“SH 14614”.

4) Training

- a) In addition to the requirements of Part 6 (Training) of the *TDG Regulations*, the **members of the Canadian Propane Association** and any person using this equivalency certificate on behalf of the **members of the Canadian Propane Association** ensure that the personnel handling, offering for transport or transporting the dangerous goods are knowledgeable of the conditions of this equivalency certificate that relate directly to the person's duties.
