**PURPOSE**

*(The following is for information purposes only and is not part of the certificate.)*

This equivalency certificate authorizes the members of the Canadian Propane Association to transport propane cylinders without having to display the dangerous goods safety marks required for small means of containment. The barbecue type cylinders or those used in recreational vehicle (for which the capacity in propane or liquefied petroleum gas is less than or equal to 30 liters) are collected at corner stores, service stations, grocery stores or hardware stores and are transported to the member of the Canadian Propane Association's facility to be inspected, requalified, refilled, recycled, and/or disposed.

The current list of the members of the Canadian Propane Association is available at the following website:
