

# Propane Powers Canada

Reliable. Affordable. Cleaner. Propane powers everyday life for millions of Canadians - strengthening energy security and lowering emissions.

Canadian Propane Association

Association canadienne du propane

## Propane strengthens energy security

- **Growing** domestic propane production
- **Essential** for hospitals, farms, businesses, and rural, remote, and Indigenous communities where options are limited
- **Supports resilient energy systems** during emergencies and extreme weather
- Delivered nationwide through a **reliable supply chain**

## Propane delivers lower emissions

- **Lower emissions** than heating oil, diesel and gasoline
- Recognized globally as a **lower-carbon alternative** to higher-emitting fuels
- **Compatible with hybrid power systems** and renewable electricity
- Canadian-made **renewable propane is a drop-in fuel** that lowers lifecycle emissions using existing propane infrastructure.

## Propane protects energy affordability

- Significantly **more cost-effective** than diesel in numerous applications
- Propane furnaces with **efficiency ratings up to 97%**
- **Lower maintenance costs** than oil heating systems
- No soil contamination risk, **reducing environmental liability costs**

# National Economic Overview in 2026

## Propane demand by sector

- Mining & oil and gas
- Non-energy use & producers' consumption
- Commercial / Institutional
- Residential
- Manufacturing & construction
- Transportation
- Agriculture

Gross domestic product

**\$7.3 B GDP**

Production

**337,000**

*barrels per day*

Commercial floor space

**2.4 M m<sup>2</sup>**

Households

**182,720**

Jobs

**21,705** *employed*

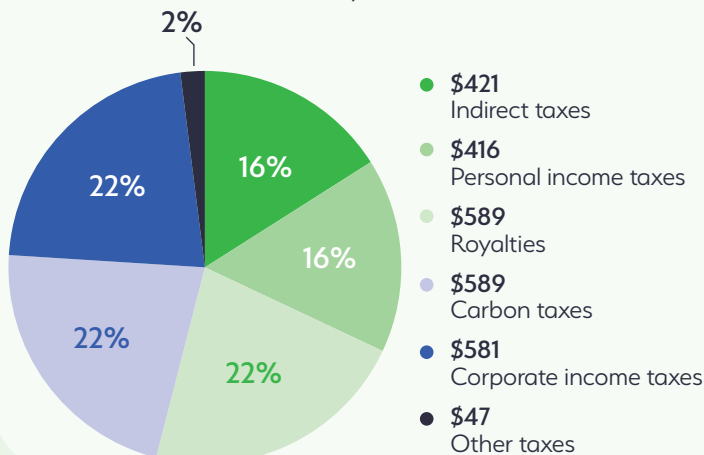

Fuelling stations

**566**

## Economic Impact

Revenues help fund hospitals, seniors' homes, schools and community centres, supporting Canadians' quality of life.

Government revenues (\$millions)  
Total **\$2.6 B**

## Exports

Canada exports over 60% of its propane production - over half to the U.S. and more than 40% to Asia (Japan, South Korea and China) plus smaller volumes to Mexico
